10TH INTERNATIONAL CONFERENCE ON REHABILITATION ROBOTICS

Dear Potential Exhibitor,

We would like to extend an invitation to you to exhibit at the 10th International Conference on Rehabilitation Robotics (ICORR) that will be held June 13-June 15 2007, in Noordwijk, 'the Beach of Amsterdam', the Netherlands.

ICORR 2007 will showcase the latest developments and incorporates cutting edge robotic applications in rehabilitation medicine. The ICORR Organizing Committee expanded the themes to include exoskeletons, socially assistive robotics, robotic environments and companions, while of course assistive robotics and therapeutic robotics remain as the very important themes from the start of the conferences.

This year's conference will have special attention to end-users. The presence of robot-users will allow a fascinating dialogue to take place throughout the course of the conference. Therefore travel awards are set aside that will allow a number of users to attend the conference, and take part in platform discussions.

We are anticipating that ICORR 2007 will have an attendance of approximately 250 people.

The 2007 ICORR Committee is committed to quality and since it is the tenth conference a special anniversary meeting will be held, just after the conference, dedicated to formulating future research subjects.

This conference is an excellent opportunity to showcase your products and technology to researchers, scientists, therapists, clinicians and users. We enthusiastically encourage you to consider exhibiting and participating in ICORR 2007.

We very much look forward to discussing your exhibition and seeing you in the Netherlands.

Sincerely,

Koos van Woerden
Exhibition Chair

ICORR '07

10TH INTERNATIONAL CONFERENCE ON REHABILITATION ROBOTICS

General Exhibitor Information

Exhibition Dates and Hours

The commercial exhibition will be officially opened Wednesday 13 June in the morning coffee-break and will be open until 06.00 PM. Thursday 14 June from 08.30 AM until 06.00 PM. Friday 15 June 08.30 AM until 12.00 AM

Exhibit Space

All exhibit booths are 3m x 2m. A 1.80m skirted table, two side chairs, and a sign identifying the company name will be provided in each booth. The floor of the conference centre is carpeted. If any special requests are necessary regarding drapes or booth equipment, these must be made known more than seven days before the opening of the conference.

The exhibit and the interactive poster hall is located in the conference hotel just alongside the meeting rooms. Please see the attached floor plan for more details.

Space Assignment

Spaces will be assigned on a first-come, first-served basis. Assignments will only be allowed after receipt of the application and a 25% deposit. The organizers reserve the right to amend floor plans or relocate exhibits as necessary. Applications received after May 15, 2005 will be assigned space based on availability and require payment in full.

Booth Rental and Advertising

Booth: € 1600

Advertisements: 1/4 page € 300 advertisement in the conference program
1/2 page € 600 advertisement in the conference program
full page € 900 advertisement in the conference program

Tote bag inserts € 250

Combinations:

Booth + 1/4 pg € 1800

Booth + 1/2 pg € 1950

Booth + full pg € 2100

Other combinations can be arranged upon request

ICORR '07

10TH INTERNATIONAL CONFERENCE ON REHABILITATION ROBOTICS

Booth rental includes 1 conference registration and 1 hotel room in the conference hotel for 3 nights.

All exhibitors will be allowed to be represented with a logo and link on the conference website. All prices are in euro. Space assignments will not be made until a non-refundable 25% deposit is received. Payment in full is due by May 31, 2007.

Cancellation

In the event that an exhibitor chooses to cancel any sponsorship, advertising, or booth a charge will apply to defray costs. Before May 31, 2007 the charge will be 25% of the total exhibition fee. No refunds will be given after May 31, 2007.
